NEW BUILDING DELAYED—CROWDED FOR ROOM.
SACRIFICE SALE OF \$1,000,000 WORTH OF **DRY GOODS**
PRICES EVEN LOWER THAN LAST WEEK.

Our determination to sell needs no other emphasis than these prices. Expecting our new building to be ready in May, we bought tremendous stocks. They are all fine new goods—not "seconds," "broken lots," or the odds and ends usually offered at special sales. We cannot expect to unload such vast quantities unless we make a sufficient consideration in the prices. You get big values here in ordinary times. They're extraordinary now. Every person who will read these items must concede that they are in all respects the best values ever offered in this country.
